

Reduced-Order Overlapping Schwarz Waveform Relaxation

Master's Thesis

Author: Anar Abdullayev

Supervisor: Prof. Dr. Mario Ohlberger

Co-Supervisor: Dr. Stephan Rave

University of Münster

Faculty of Mathematics and Computer Science

Abstract

Short summary.

Contents

1	Introduction	1
2	Domain and Mesh Representation	2
2.1	Problem Statement	2
2.1.1	Test section	2
3	Preliminaries	3
4	Method	4
5	Numerical Experiments	5
6	Conclusion	6

Chapter 1

Introduction

Chapter 2

Domain and Mesh Representation

2.1 Problem Statement

2.1.1 Test section

Chapter 3

Preliminaries

Chapter 4

Method

Chapter 5

Numerical Experiments

Chapter 6

Conclusion
